

# There Is Someone

WHO IS THINKING OF YOU

## REFRAIN

Just to know the one you love, loves you, dear,  
Just to know there's one whose heart is all your  
own,  
Just to know there's one who always will be true,  
dear,  
Just to know there's one who cares for you alone,  
Just to know that while you're dreaming dreams  
of someone,  
Someone's wishing that your dreams may all  
come true,  
Just to know that while your thoughts are all of  
someone,  
There is someone who is thinking of you.
